From the Manager

Happy February!

We are now approaching 2 years since the beginning of the pandemic. We have all been hoping to return to normal and unfortunately this has not happened. So, we have to learn to live with the reality of life with the virus that continues to develop new variants.

With caution and COVID safety measures, we plan to provide a Congregate Meal Service Program once again. **Our target reopening date for Congregate Meals is Tuesday, March 1st.** Grab & Go service will be discontinued at this time. But, we will offer a Carryout service that will allow you to pick up your meal at our serving line & take home for consumption.

We follow the current Public Health Order and Masks have been a continued mandate. **So, masks must be worn inside the facility at all times, except when eating.** Keeping your masks on at all times, social distancing whenever possible and constant hand washing will help prevent the spread. **It is going to take all of us working together & following these guidelines to keep our facility open for all services & to avoid any disruption to our Congregate Meal Service.**

Transportation will begin services to & from the Center for meals March 1st, as well as other continued transportation services provided. **Masks must be worn on the bus.**

Congregate Meals will be served from 11:00 – 12:30, Monday – Friday, except holidays.

If you are unable to wear a mask, unfortunately you will not be able to ride the bus or participate in any activity inside the Main/Fitness Buildings. Please call for other arrangements.
