

SENIOR PLANET

FROM **AARP**

Join Free Online Classes from Home!

Senior Planet from AARP helps older adults use technology to learn new skills, save money, get in shape, and make new friends. Our courses, programs, and activities are changing the lives of seniors far beyond technology. Join us today!

All classes, workshops, and discussion groups are currently hosted on Zoom and are intended for adults ages 60 and over.

Visit us online, or call our free national hotline!
