

## Solid Waste Collection Service

Residential trash is picked up twice a week, either curb side or in the alley, depending on your neighborhood.

For curbside collection your poly cart should be placed curbside no later than 6:30 am. on your designated pick-up days.

Curbside cans must be placed at least six (6) feet from any mailbox, parked vehicle, fire hydrant or any other obstacle.

Cans must not be overloaded and the lid must close. Do not place construction, remodeling, repair, or demolition debris in containers.

Special pick-up service is available for disabled persons. Information on this program may be obtained by contacting Public Works @ 439-4137 or Utility Billing @ 439-4260.

Residential trash is NOT picked up on New Year's Day, Independence Day, Labor Day, Thanksgiving Day or Christmas Day. The disposal contractor will change the routes or days of collection by collecting the day before or the day after the regularly designated collection day.

**Bulky waste:** At no additional cost, bulky waste, white goods, furniture, tree branches, carpet, boxes, bikes, and other rubbish not suitable for placement in normal containers may be taken to the Collection Center on LaVelle Road or you can arrange for a special pick up on a "call in" basis by the disposal contractor. Please call Southwest Disposal @ 434-1109 for information and to schedule a pick up.

For concerns or complaints about your service, or to report broken containers call Southwest Disposal @ 434-1109 or City of Alamogordo Public Works @ 439-4137.

## When is payment due on City of Alamogordo utility bills:

Payment for utility bills is due fifteen (15) days from the billing date and is considered past due (late) ten (10) days from the due date. A late fee will be added to your previous balance on your next bill.

Delinquency/Disconnect Notices are mailed to the customer advising them of a past due amount. The customer is required to pay the bill by the date specified in the notice to avoid a delinquency processing fee and disconnection of service.

Once service is delinquent/disconnected the customer must pay all past due amounts and the delinquency processing fee before service can be reinstated.

Due dates falling on a weekend or City observed holiday are automatically extended to the next City business day.
